JUNGLIA Okinawa Operating Calendar (Effective January 2027)

Thank you for visiting JUNGLIA Okinawa.

To ensure a safer and higher-quality experience for all guests, JUNGLIA Okinawa will adopt regular weekly closures on Mondays, effective January 2027.

This change allows us to conduct thorough facility inspections, maintenance, and staff (Navigator) training during the day—work previously limited to nighttime hours. By focusing on these essential operations, we aim to continually elevate our overall service standard.

- **Effective Date** : January 2027 onward
- **Regular Maintenance Day** : Mondays

** The park will remain open on public holidays and during peak seasons. Please check the official "Operating Calendar" on our website for details.*

** Private group or corporate charter events may still take place on scheduled maintenance days.*

We apologize for any inconvenience this may cause to guests planning a visit and sincerely appreciate your understanding.
